## ADACare as NDIS Registered Disability Provider Services

As a registered disability provider, we want to support your daily needs and give you the freedom to make your own decisions. We are here to help you or a loved one live an independent and fulfilling life. Therefore, we offer a range of services, including helping you get out and about in the community with social activities. In addition, we offer help with transport arrangements to get you around, as well as home and domestic care to help out around the house and much more. Whatever your needs, we have these covered and can tailor them to your disability support package.

We can help you with:

- Personal care, such as showering and toileting
- Domestic care, such as cleaning and washing
- Feel good with healthy, nourishing meals
- Support and assistance with the management of medication or nursing
- Travel support to help you get out and about in your community
- Support with health and fitness
